In an EMERGENCY requiring immediate medical attention, your child will be taken to the NEAREST HOSPITAL EMERGENCY ROOM. Your signature authorizes Grace Classical Academy and its representatives to transport your child and give consent to obtain emergency medical treatment in case of any illness or injury in connection with a school activity or school trip. Such treatment will be administered by physicians, other medical personnel, hospitals, and/or clinics selected by Grace Classical Academy or its representatives.

Field Trip Policies and Car Seat Form

- Chapel uniforms are required for all field trips.
- Students must be accompanied by an adult/chaperone at all times while on a field trip.
- Students must respectfully obey all teachers/parents/chaperones/tour guides.
- Students under 13 years of age should be seated in back seats and use the required car seat/booster seat and seatbelts as required by Maryland law.
- Electronics are NOT permitted on field trips; including cell phones, iPods, tablets, hand-held games, and in-car DVD players. Parents are asked not to show movies while traveling to and from field trips as parental standards differ.
- Parents must provide medication from home for children needing medication during a field trip. Medication already in the office cannot travel on field trips. If a student requires medication during the field trip, a parent must attend unless an adult with medication administration training is able to go on the trip.

PLEASE FILL OUT, SIGN AND RETURN THIS FORM TO THE SCHOOL OFFICE

We have read and will support all GCA field trip policies:

_____ Landscape Volunteer (Help maintain flower beds and outdoor areas.)

_____ Used Uniform Organizer (1 time each month, flexible schedule, keep orderly and sort as needed.)

_____ Sanitizing Support Helper (Help wipes desks in classrooms, etc., after school.)

3. In addition to the above, please let us know if you would be interested in serving on a committee.

Please check your choice(s): ___Athletic Teams (coaching) ___Yearbook ___Booster Club

___New Family Welcome ___Marketing ___Food Prep for Special Events, PTF

Grace Classical Academy School Health and Medication Policy

For the safety of our students Grace Classical Academy requires the following:

A current copy of each student's Immunization Record (must be current/updated with each new vaccine). The school can provide a copy of this form or you may request it from your child's physician. Harford County Health Department makes regular audits to be sure all students are in compliance. If your child receives any new immunizations please provide the school with an updated copy.

Record of Physical Examination/Health Assessment (each student must have one on file). This is a two part form; Part 1 is to be filled out by the parent/legal guardian and Part 2 is to be filled out and signed by the student's physician.

Any medication that a student may need during the school year, whether prescription or over the counter (ie: Tylenol, Advil, allergy medication, eye drops, cough/cold medication, itch/rash cream, etc.) must be brought to the school office by the parent to be signed for. (Medication may not be sent with the student.) Over the counter medication must be in the original packaging marked with the student's name and grade on the package. Prescription medications must be in the original pharmacy issued container labeled with the student's name and dosage printed on it. **ALL medications above MUST be accompanied by the Maryland State School Medication Administration Authorization Form** (provided by the school or your child's physician). We are not permitted to dispense any medication to your child without the completed form. If you think your child will be in need of any sort of over the counter medications throughout the school year, it's best to ask their physician at their annual check-up to fill out the forms for you and send them to school with those medications in the beginning of the school year so they will be on hand for your student, as we are not permitted to dispense any medication without the authorization form and your provided medication. Please do not combine medications on the form, fill out one form per medication. All medications are kept safely locked in the school office as per the regulations set forth by the Maryland State Health Department.

*Cough drops and suntan lotion are the only exception to over the counter medications, but we do require a note from the parent to be sent in along with the cough drops/lotion in their original package marked with your student's name and grade. Students are not permitted to share suntan lotion due to allergies.

Epi- Pens and Inhalers:

Any student that requires an epi-pen or an asthma inhaler is required by the Maryland State Health Department to submit their "Allergy Action Plan" (epi-pens)/ "Asthma Action Plan"(inhalers) from their child's doctor in addition to the Medication Administration Authorization Form. We are not permitted to dispense either of the above without the Action Plan Form. If a student is to self-carry an epi pen or inhaler it must be documented by the child's doctor on the form and agreed upon by the school administration that the child is able to responsibly self-carry. If the student dispenses either of the medications above on their own, they must inform the teacher so it can be documented in the school office.

Thank you for your cooperation in complying with the above policies.

Emergency Medical Information Form

If your child takes medication and/or has a medical condition, this form must be completed in case emergency medical treatment is necessary.

Please fill out one form per child (if applicable).

Child's Name: _____ Date of Birth: ____/____/____

Medications currently taken by your child (prescription or over the counter even if taken at home):

Medication Name: _____ For: _____ Dosage: _____ Frequency: _____

Medication Name: _____ For: _____ Dosage: _____ Frequency: _____

Does your child have any allergies? ____ YES ____ NO

If yes, please explain the allergy (medication, food, environmental) _____

An Asthma/Allergy Action Plan Form along with the Medication Administration Authorization Form must be completed by your child's Physician.

Does your child have any other medical conditions of which we need to be aware? ____ YES ____ NO

(1) Signs/symptoms to look for: _____

(2) If signs/symptoms appear, do this: _____

(3) To prevent incidents: _____

Parent Signature: _____ /____/____

Date

**Maryland Schools
Record of
Physical Examination**

To Parents or Guardians:

In order for your child to enter a Maryland Public school for the first time, the following are required:

- ***A physical examination by a physician or certified nurse practitioner must be completed within nine months prior to entering the public school system or within six months after entering the system. A Physical Examination form designated by the Maryland State Department of Education and the Department of Health and Mental Hygiene shall be used to meet this requirement.***
(<http://www.dsd.state.md.us/comar/13a/13a.05.05.07.htm>)

- ***Evidence of complete primary immunizations against certain childhood communicable diseases is required for all students in preschool through the twelfth grade. A Maryland Immunization Certification form for newly enrolling students may be obtained from the local health department or from school personnel. The immunization certification form (DHMH 896) or a printed or a computer generated immunization record form and the required immunizations must be completed before a child may attend school. This form can be found at:***
<http://www.edcp.org/pdf/DHMH896new.pdf>.

- ***Evidence of blood testing is required for all students who reside in a designated at risk area when first entering Pre-kindergarten, Kindergarten, and 1st grade. The blood-lead testing certificate (DHMH 4620) (or another written document signed by a Health Care Practitioner) shall be used to meet this requirement. This form can be found at:***
<http://www.fha.state.md.us/och/pdf/MarylandDHMHBloodLeadTestingCertificateDHMH4620.pdf>.

Exemptions from a physical examination and immunizations are permitted if they are contrary to a students' or family's religious beliefs. Students may also be exempted from immunization requirements if a physician/nurse practitioner or health department official certifies that there is a medical reason not to receive a vaccine. Exemptions from Blood-Lead testing is permitted if it is contrary to a families religious beliefs and practices. The Blood- lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

The health information on this form will be available only to those health and education personnel who have a legitimate educational interest in your child.

Please complete Part I of this Physical Examination form. Part II must be completed by a physician or nurse practitioner, or a copy of your child's physical examination must be attached to this form.

If your child requires medication to be administered in school, you must have the physician complete a medication administration form for each medication. This form can be obtained at <http://www.marylandpublicschools.org/NR/rdonlyres/8D9E900E-13A9-4700-9AA8-5529C5F4C749/3341/medicationform404.pdf>. If you do not have access to a physician or nurse practitioner or if your child requires a special individualized health procedure, please contact the principal and/or school nurse in your child's school.

Maryland State Department of Health and Mental Hygiene
Records Retention - This form must be retained in the school record until the student is age 21.

Maryland State Department of Education

PART I - HEALTH ASSESSMENT

To be completed by parent or guardian

COMPLETE THE APPROPRIATE SECTION BELOW IF THE CHILD IS EXEMPT FROM VACCINATION ON MEDICAL OR RELIGIOUS GROUNDS. ANY VACCINATION(S) THAT HAVE BEEN RECEIVED SHOULD BE ENTERED ABOVE.

MEDICAL CONTRAINDICATION:

Please check the appropriate box to describe the medical contraindication.

This is a: Permanent condition OR Temporary condition until ____/____/____
 Date

The above child has a valid medical contraindication to being vaccinated at this time. Please indicate which vaccine(s) and the reason for the contraindication, _____

Signed: _____ Date _____
 Medical Provider / LHD Official

RELIGIOUS OBJECTION:

I am the parent/guardian of the child identified above. Because of my bona fide religious beliefs and practices, I object to any vaccine(s) being given to my child. This exemption does not apply during an emergency or epidemic of disease.

Signed: _____ Date: _____

How To Use This Form

The medical provider that gave the vaccinations may record the dates (using month/day/year) directly on this form (check marks are not acceptable) and certify them by signing the signature section. Combination vaccines should be listed individually, by each component of the vaccine. A different medical provider, local health department official, school official, or child care provider may transcribe onto this form and certify vaccination dates from any other record which has the authentication of a medical provider, health department, school, or child care service.

Only a medical provider, local health department official, school official, or child care provider may sign 'Record of Immunization' section of this form. This form may not be altered, changed, or modified in any way.

Notes:

1. When immunization records have been lost or destroyed, vaccination dates may be reconstructed for all vaccines except varicella, measles, mumps, or rubella.
2. Reconstructed dates for all vaccines must be reviewed and approved by a medical provider or local health department no later than 20 calendar days following the date the student was temporarily admitted or retained.
3. Blood test results are NOT acceptable evidence of immunity against diphtheria, tetanus, or pertussis (DTP/DTaP/Tdap/DT/Td).
4. Blood test verification of immunity is acceptable in lieu of polio, measles, mumps, rubella, hepatitis B, or varicella vaccination dates, but revaccination may be more expedient.
5. History of disease is NOT acceptable in lieu of any of the required immunizations, except varicella.

Immunization Requirements

The following excerpt from the DHMH Code of Maryland Regulations (COMAR) 10.06.04.03 applies to schools:

"A preschool or school principal or other person in charge of a preschool or school, public or private, may not knowingly admit a student to or retain a student in a:

- (1) Preschool program unless the student's parent or guardian has furnished evidence of age appropriate immunity against Haemophilus influenzae, type b, and pneumococcal disease;
- (2) Preschool program or kindergarten through the second grade of school unless the student's parent or guardian has furnished evidence of age-appropriate immunity against pertussis; and
- (3) Preschool program or kindergarten through the 12th grade unless the student's parent or guardian has furnished evidence of age-appropriate immunity against: (a) Tetanus; (b) Diphtheria; (c) Poliomyelitis; (d) Measles (rubeola); (e) Mumps; (f) Rubella; (g) Hepatitis B; (h) Varicella; (i) Meningitis; and (j) Tetanus-diphtheria-acellular pertussis acquired through a Tetanus-diphtheria-acellular pertussis (Tdap) vaccine."

Please refer to the "Minimum Vaccine Requirements for Children Enrolled in Pre-school Programs and in Schools" to determine age-appropriate immunity for preschool through grade 12 enrollees. The minimum vaccine requirements and DHMH COMAR 10.06.04.03 are available at www.dhmh.maryland.gov. (Choose Immunization in the A-Z Index)

Age-appropriate immunization requirements for licensed childcare centers and family day care homes are based on the Department of Human Resources COMAR 13A.15.03.02 and COMAR 13A.16.03.04 G & H and the "Age-Appropriate Immunizations Requirements for Children Enrolled in Child Care Programs" guideline chart are available at www.dhmh.maryland.gov. (Choose Immunization in the A-Z Index)
