

Upper School Art Supplies List 7th-12th Grade

All 7th-12th grade upper school students will be provided an art supplies box with which to keep their individual tools. The boxes will stay in the art modular for the duration of the school year and will be individually labeled for and accessed by only your student. Please label as many of the tools as you are able with your student's name.

Below are **required** and **recommended** supplies lists for each student. If your student would prefer to have their own supplies that will not be used by other students, please consider investing in the recommended supplies in addition to the required items. If the tools are cared for well, it is very possible that many of these items will last for the duration of their upper school careers. Students will be responsible for maintaining and keeping track of their own materials.

Required:

- (2) Staedtler Mars Lumograph 6B graphite drawing pencils
- (2) Staedtler Mars Lumograph HB graphite drawing pencils
- (2) hi-polymer erasers
- (1) Strathmore 300 series sketchpad 8.5'x5.5'
- (1) pencil sharpener (Staedtler or Prismacolor)

Recommended:

- (1) Sakura cray-pas junior artist 25-ct
- (1) Prismacolor colored pencils 24-ct (Scholar or Premier)
- (1) Prismacolor blender pencil
- (1) kneaded eraser (June Gold is sufficient, Prismacolor is exceptional)
- (1) Watercolor paper pad, any size
